

## **Online Recruiting System (OLRS) Advanced Scoring Workshop**

**01-04-HR07**

### **Course Information**

This fast-paced 4-hour workshop gives you hands on training you can use to create advanced scoring plans within the OLRs. The workshop includes tips and best practices on developing and scoring questions. You will learn how to use the functionality within the OLRs to score applicants on a combination of minimum and desirable qualifications and how to create equivalencies for pass/fail.

### **Who Should Attend**

Recruiters who are using the OLRs for their agency recruitments.

### **Pre-requisite**

Recommend completion of the Online Recruiting System Training (01-16-HR73) or equivalent directly through NEOGOV prior to attending.

### **Course Date and Time**

- March 14, 2013 – 12:30 – 4:30

### **Location**

Department of Enterprise Services - Training Center Computer Lab, 1500 Jefferson St, Olympia

### **Registration**

State Agencies - Contact your agency's training representative for course registration.

Public Sector Agencies & Higher Education – Contact your designated training representative or call (360) 664-1921.

*NOTE: A \$50 No Show/Late Cancellation fee applies to this class.*
